

SPECIAL HR FLASH

1.

THE LATEST HIRES

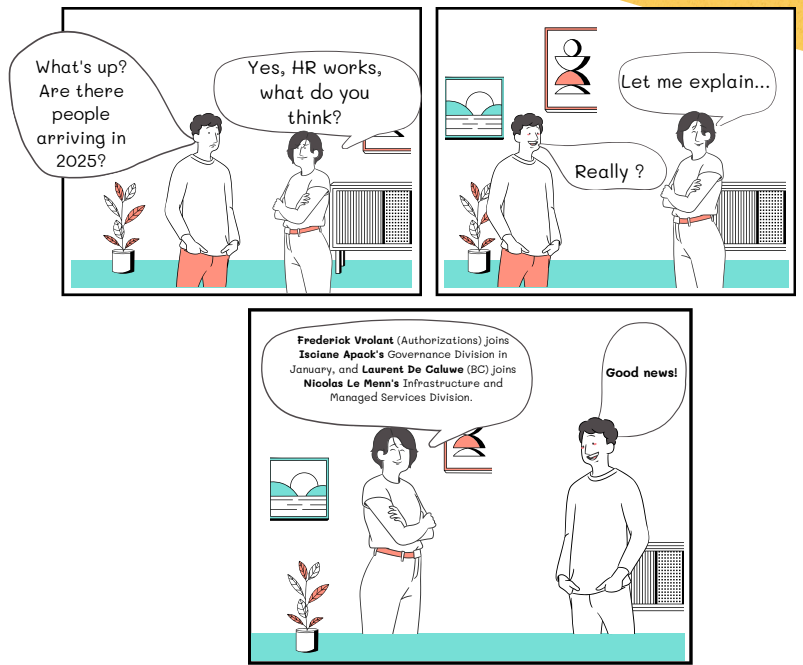

To be fran, çois we present François Mauget, Head of the SAP BI Pole in the BI Pole or we present karimment both with Abdelkarim Zaiane, SAP Logistique Fonctional Consultant, Logistics Pole.

Welcome again to both of you at Applium!

2.

APPLIUM EXPANDS

You lacked inspiration for François and Karim's Welcome Applium... We hope you'll find some again for 2025 with the next two arrivals!

3.

HAPPY BIRTHDAY

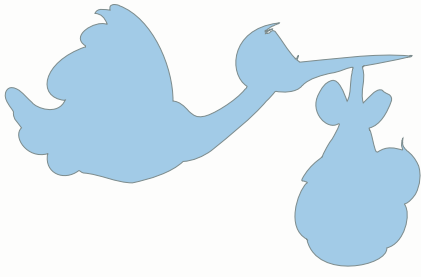

Another good vintage in November. Happy birthday again to René, Issam, Vincent, Laure, Abdelkarim, Monira, Jean, Eric and Victor. We hope you blew out your candles and, most importantly, applied the hyaluronic acid!

There's more to Applium than birthdays... There's also seniority. So, for this month of November, happy birthday to all our "old youngsters": Safiya, Hammadi, Mehdi and Séverin!

And they're not in kit form like IKEA, but they're still part of the furniture: happy birthday to Myriam and Agathe!

THE PINK NOTEBOOK OF NOVEMBER 2024

4.

The stork from Alsace passed through Lyon on November 21 to drop Razan off with the Didi Hassane family ! A warm welcome to this little shrimp, and much happiness to the three of them.

5.

🧠 Recruitment activated 🧠 (Nov. 2024)

The SAP world is in full swing! ✨ New technologies, new challenges... technologies are evolving at breakneck speed, and new skills are needed to support our customers.

🐢 After a period when the market was moving like a snail, recruitment is picking up speed! 🚀

👉 A little reading : "[Le marché des consultants SAP en France : entre expertise pointue et défis de recrutement](#)"

🔥 Recruitment alert! 🔥 François Mauget, just arrived, is already looking to expand his team! 🧑‍💼 We wonder who the lucky ones will be... 🤔
Suspense !
